Southfield and Novi, MI

Dania Assad, MD

Endocrinology Specialist
Adjunct Faculty, Academic Faculty for Internal
Medicine & Family Practice Residents, and Michigan
State University Medical Students, Ascension
Providence Hospital, Southfield and Novi, MI

PROGRAM GOAL:

The goal of this program is to provide participants with
an update on the latest literature in human trafficking,
molecular oncology, resistant gram-negative infections,
and management of type 2 diabetes.

PROGRAM OBJECTIVES:

At the conclusion of this knowledge-based activity, the participant
will be able to:

1. Understand the types and venues of human trafficking.
Identify the warning signs of potential victims of human
trafficking. Review resources for reporting suspected victims
of human trafficking.
2. Review the molecular basis of cancer and types of molecular
testing. Discuss the successes of targeted drug therapy and the
future of molecular oncology and precision medicine.
3. Discuss resistant gram-negative infections and identify
high-risk populations. Summarize antibiotic treatments,
including the newer therapeutic agents.
4. Provide an overview on the epidemiology and diagnosis of
Type 2 DM. Review glycemic control, monitoring, and
lifestyle modification. Summarize initial pharmacotherapy
and management of persistent hyperglycemia.

TARGET AUDIENCE:

This educational program is intended for physicians, physician
assistants, dentists, pharmacists, pharmacy technicians, nurse
practitioners and nurses.

ACCREDITATION STATEMENT:

*This activity has been planned and implemented in accordance with the
accreditation requirements and policies for the Michigan State Medical
Society through the joint providership of Ascension Providence Hospital
and CAAHP. The Providence-Providence Park Hospital is accredited by
the Michigan State Medical Society to provide continuing medical
education for physicians*

AMA CREDIT DESIGNATION STATEMENT:

*The Providence-Providence Park Hospital designates this live activity for
a maximum of 4 AMA PRA Category 1 Credit(s)TM. Physicians should
claim only the credit commensurate with the extent of their participa-
tion in the activity.*

CONTINUING EDUCATION:

*Full attendance at this program and completion of the program
evaluation will provide a total of 4 contact hours of continuing education
(which includes 1 hour of human trafficking) for medicine, osteopathic,
nursing, dentistry or pharmacy participants. A statement of continuing
education credit will be provided at the completion of the program.*

*Nurses may earn continuing education credits related to topics
approved for AMA PRA Category 1 Credit(s) for continuing education.*

*Osteopathic Physicians: AMA PRA Category 1 CreditsTM are
acceptable towards Category 2-A Credit.*

*Dentists may earn a maximum of 30 credit hours per renewal period
for attendance at programs related to topics approved for AMA PRA
Category 1 Credit(s) for continuing education.*
